Recognition

I would like to publicly recognise the individuals in the committee that have given so much of their time and energy to this organisation and in turn, our community over the past year. I feel it is abundantly important to do this, as every person involved in this committee is a volunteer, giving their time and energy freely for the good of our community, and for such a selfless act, they deserve more recognition than I could give here today.

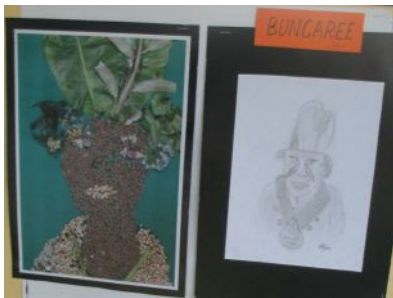

Our secretary Helen Orchard whose tireless efforts keep us all informed, up to date and on task, thank you for your outstanding work. Thank you to our outgoing treasurer, Deirdre Howard-Wagner for taking care of the accounts this past year and the project management of the Bungaree Commemorative Event and the grant, which was another incredible achievement for our community. Thank you to Jon Fearon for the amazing work he puts into publishing and delivering our newsletters to 3000 households several times a year among other things. Thank you to Fred Beringer for all of your excellent information and advocacy on the freight train noise issue.

There are many other things that occur behind the scenes, such as the website, Facebook, errands and so forth, so thanks must also go to our assistant secretary, Lisa Haggarty, assistant treasurer Jill Greenwood and executive members Zaga Palalic and Graham Orchard for all of their outstanding contributions this year. I would like to also thank the partners and families of those mentioned who also give immense support to the association by loaning us their other halves.

Thanks must also go to the Point Clare Hall Committee, as the hall is not only a meeting place, a venue or a community asset, but a place where ideas take fruition and magic happens - and there is much proof of this.

I welcome new members and continuing members of our committee, I truly believe that no one person is responsible for such a successful year for the association, but it does demonstrate the quality of the citizens of our region and the outstanding team work and camaraderie of the committee. In saying this, there are times that we on the committee don't always agree, however the crowning achievement of this committee is how we deal with our disagreements; with respect, civility and democratically. So far it's worked and we are still talking to each other and enjoying each others company. I look forward to working with our new committee and what the next year will bring in our community.

LETTER TO THE PRESIDENT

Please convey my heartfelt admiration and appreciation to your Progress Association team, and to past executive holders, for the magnificent Bungaree Reserve recognition event which you staged today. The speakers, Tracey Howie, Deborah O'Neill, Linda Burney and the Deputy Mayor could not have been better chosen. The smooth organisation and running of the whole day does great credit to your Association.

I applaud firstly the Progress Association's recognition of the long overdue need for a local memorial to celebrate the Central Coast's most famous aboriginal, Bungaree, but also for the manner in which the idea of the Park naming was conceptualised and executed with the assistance and close cooperation of Tracey Howie and Guringai Tribal Link, for the cooperation of Gosford Council's Parks and Recreation team, and the determination and persistence shown by all concerned to bring this Park naming to a reality with today's function and unveiling of the plaques. I hope you might have a further opportunity to publish Linda Burney's speech on the day.

All the prolonged hard work was certainly effective in staging a very significant act of reconciliation today, and the involvement and work of the local Point Clare Primary School is further to be applauded.....

COUNCIL PROJECTS

MUCH NEEDED MAKEOVER. Thanks to the Point Clare Hall Secretary, Robert Findley's initiative, and the concern of the local business community Council has replaced the old tired garden bed at adjoining the car park.

A STRONG WALL AT LAST. Erosion along the shoreline at Couche Park Koolewong has been stopped by Council's handsome new sea wall and short stairway leading to the beach. We now look forward to the replacement of the access stairs from the park to Couche Crescent.

OUR NEW TREASURER

JOHN ROSSI - a resident of Point Clare, is semi-retired after some 27 years of project management with the State Government. He has recently become a qualified Civil Marriage Celebrant.

For the last two years he has volunteered with our Pt Clare Community Hall. We welcome John onto our Progress Association Committee.
